

Interested in some SCA activity but don't know where to start?

Want to get an overview of an SCA craft before you try it?

Want to try period cooking but don't have any recipes?

Considered buying or making a period pavilion but thought it was too expensive or difficult?

Thinking about creating or changing your persona but wondering what reference materials are available?

Check out **Stefan's Florilegium!**

Over the past twelve years in an ongoing effort, I have been collecting bits of useful information from various newsgroups, mail lists and articles submitted to me by their authors. In order to make this information available to others, I have placed this information in a series of files I call Stefan's Florilegium.

My files currently consist of these sections:

Uncatalogued	Newcomer's Section	Accessories
Animals	Archery	Archery-FAQ
Beverages	Celebrations	Children
Chivalry	Clothing	Combat
Combat-Rapier	Commerce	Crafts
Cultures	Dance	Disabilities
Education	Entertainment	Feasts
Food	Food-Books	Food-Breads-Grains
Food-By-Region	Food-Condiments	Food-Fruits
Food-Manuscripts	Food-Meats	Food-Sweets
Food-Utensils	Food-Vegetables	Heraldry
Home-Sweet-Home	Info-Sources	Life-Steps
Nicolaa's Articles	Norse	Pennsic

Personal Care	Plants & Spices	Religion
SCA-Camping	SCA-Event-Planning	SCA-Inc
SCA Sociology	SCA Stories	Scribal Arts
Structures	Textile Arts	The-12th-Century
Time	Travel	Weddings

I have brought some printed copies of the filelist to this event. If you would like a copy, just find me and ask.

My files are available on the World Wide Web for reading or downloading at:
<http://www.florilegium.org>

Currently there are over 1800 different files in the Florilegium.

(over)

A copy of my complete filelist is available in most sections of the website. This filelist or any of my files is also available from me by email in either Word or text formats. This file is currently 30 pages long and approximately ten to twenty new files are added each month.

Editors: There are a number of short article files in the Florilegium that make great articles for local newsletters. Most authors give reprint permission. See the permission statement at the bottom of the files.

I also write a monthly article describing what is new in these files for printing in local newsletters. I usually post this to various mail lists and the Rialto near the end of the month. If you would like to be on my private list of editors to get this article on the fifth of the month, please contact me. I also now produce a version specifically for posting on SCA websites.

I have listed **just a few** of the files in the Florilegium below to give you an idea of what types of files are available.
